

Joe M—Voice (Advanced), Piano and Guitar

Joe is a senior in the Music and Theatre department at North Central University. He is an actor as well as a singer. His interest in music is from a very young age and has been singing almost his whole life and absolutely loves it! He has been privileged to sing at Carnegie Hall as a member of the North Central University Chorale as well as traveling overseas to Ireland and recording a CD of choral music with this group. As we said Joe is an avid actor both of straight plays and of musical theatre. He believes that music can be transformative and can express things sometimes that words can't just express.
